1-Be part of a truly unforgettable event !

Remember...

... the **75th Anniversary** in **Arras** in **2009**
(1000 Traction)

... the **80th Anniversary** in **La Ferté-Vidame** in **2014** (800 Traction)

Both were *very popular* events among Traction enthusiasts

The celebration of the **90th Anniversary** will also be **an event to be remembered**. It will be located for 3 days at the **Charade Race circuit**, considered by Sir Stirling Moss as the *niciest circuit in the world*. *Let's be part of the celebration !*

Discover the circuit here : <https://www.charade.fr/circuit/presentation/>

What will it be like during 3 days ?

- A unique popular event, accessible to the general public on Saturday
- An attendance of 1000 Traction Avant expected (but not more, see p. 3)
- Exhibitions, games, presentations...
- A temporary museum dedicated to the Traction Avant
- A Concours d'élégance
- Conferences on the Traction and Citroën history
- Touristic rallies opportunities with your Traction, in the beautiful sceneries of the Auvergne region (centre of France)
- Stands of regional typical products
- Aperitive Dinner on Thursday night, and « Diner de gala » on Saturday evening
- ... and many more surprises to come !

2-Registrations : the earlier, the better !

Registrations for the event will be available on the website from **May 2023**.

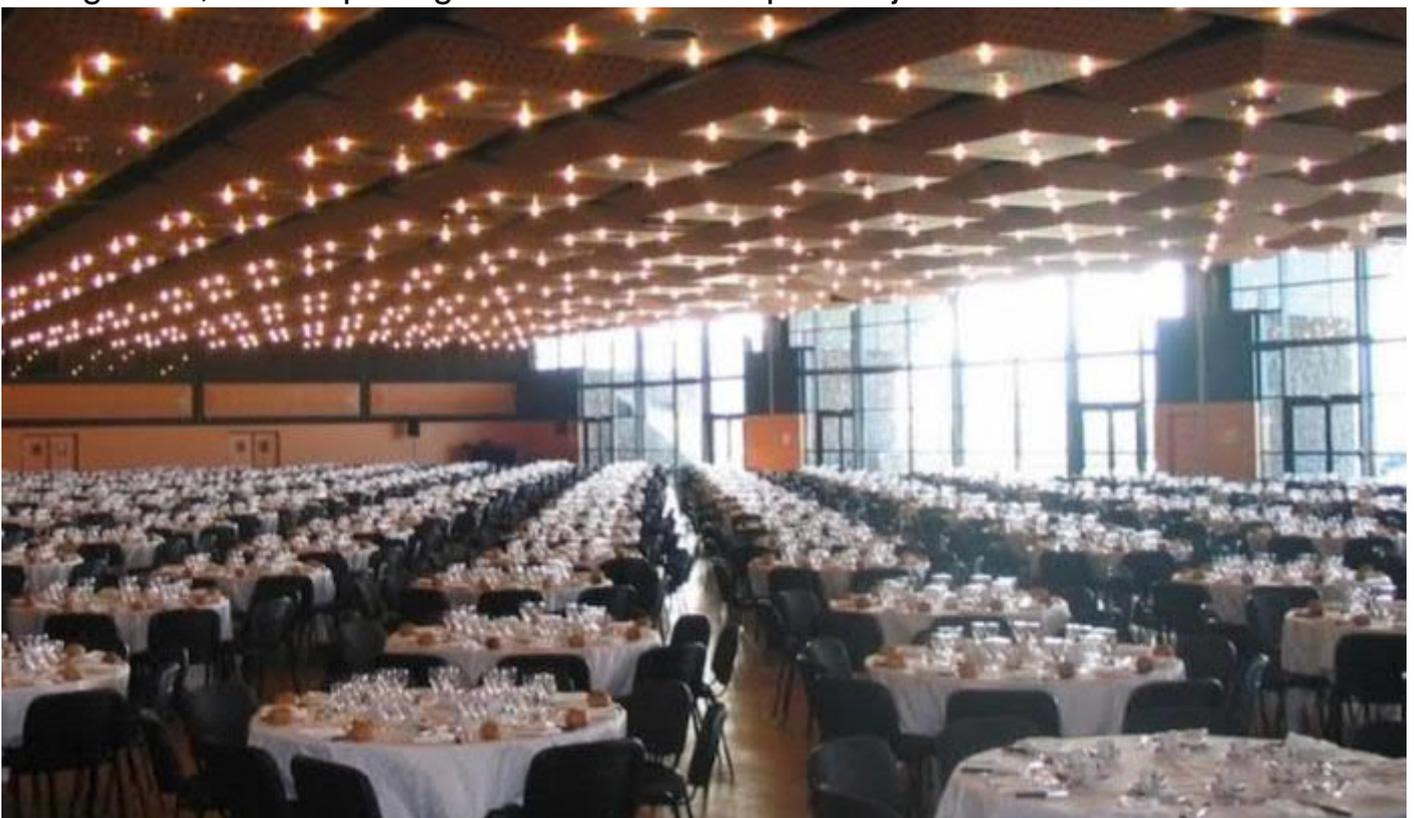

Watch out here ⇒ <https://90ansdelatraction.com/>

Registration fees : **€90** for the car and 2 passengers (**€70** for the car & driver only)
+ **€30** for any additional passenger

Online payments will be available *via* our dedicated **Credit mutuel** event account.

This price will include access to all events mentioned on previous page, and especially to the circuit during the 3 days, to the track for a collective Traction convoy, but also an aperitive dinner on Thursday evening, and of course the welcome pack including rally plaque (future collector one !).

This fee does not include the accommodation, and the « **Diner de gala** » on the Saturday night (will be **€67** per person) at the Zenith de Clermont-Ferrand. Imagine dining there, contemplating the 1000 Traction parked just over the windows...

Early registrations (ie before december) are highly recommended, for two main reasons :

- 1**-You will benefit from a **special price**
- 2**-**Maximum attendance will be 1000 Traction**, not one more !

***We already had interest from countries as far as...
Australia and South Africa !***
